ret·ro·spec·tive *adjective* looking back on or dealing with past events or situations

With Hindsight 20/20 we are now able to look back and admire the culmination of artistry displayed in the production of our Retrospective blend. Utilizing an array of classic red varietals, this unique bouquet lingers on the nose and inspires a deep sense of reflection.

TASTING NOTES:

The 2020 Retrospective 20/20 Blend from Napa Valley is a deliciously fruit-driven red that can be enjoyed today or set aside to enjoy for many years. Packed with red berry fruit flavors and a hint of spicy aromas, it's a succulent red that pairs perfectly with pizza/barbecue and casual fare but saddles up to a filet mignon with class. The young fruit and tannins balance with acidity producing a strong finish. A wine to stock up on for year-round sipping, this classic Bordeaux-style blend over delivers for the price.
